## THE DRAGON PEARL

Josh (**Louis Corbett**) and Ling (**Li Lin Jin**) thought they were in for a boring vacation with each of their parents at an archaeological dig in China. But the new friends soon discover they're right in the middle of an adventure when they find a mysterious monster that's been hidden deep in a temple for thousands of years. Josh tries to warn his father (**Sam Neill**, *Jurassic Park*) about the strange and magical creature, while Ling senses bigger forces at play. They soon realise that the monster is really an ancient Chinese Dragon, trapped on Earth because it's been separated from its magical pearl. On a breathtaking journey of good and evil Josh and Ling must uncover the mystery of the pearl so that the dragon can finally return to its rightful place.

## SELKIE

Jamie (**Shimon Moore**) is a typical teenager living the good life: a popular lad, he has a part-time job, is on the footy team and is the lead guitarist in a rock band. But all this is threatened when his mum (**Celine O'Leary**) announces that she has a new job as head scientist at a marine research base.

Forced to uproot and move to a remote island, Jamie soon discovers that all is not as it seems. He begins to notice changes to his body – scales and webbed fingers – things beyond the explanation of teenage puberty. Changes which suggest that he is somehow connected to a legendary line of Selkies – a magical people from ancient Scotland who have the power to change into seals.
